

4K@60hz 18Gbps AOC Cable

Model: CA-AOC-XX

INTRODUCTION

CA-AOC-XX AOC HDMI cable supports 4K/60Hz video transmission, 100M lossless transmission, strong wire, easy wiring, mostly used in professional video display projects.

FEATURES

- Support 4K60Hz video signal
- Support 3D special effects
- 18Gbps Transmission
- Plug and play
- No external power supply required

SPECIFICATIONS

Cable length	<100M
Interface	HDMI standard type A male
Power	No external power supply required
Bandwidth	OM3 fiber core + Kevlar bulletproof yarn/nylon yarn
Power consumption	250mW
Allowable tensile force	100N/200N
Allowable tensile force	200N/400N
Minimum bending radius	20mm/10mm
Operating temperature	0~50°C
Storage temperature	-20~70°C
