

98" Ultra HD 4K x 2K Professional LED Backlit LCD Display

Model: CID-TSD-98

INTRODUCTION

98-inch professional display adopts LED full-array backlight panel, with more delicate image quality and clearer definition. Its super-large screen has 4K x 2K Ultra HD resolution and 1300:1 HD contrast ratio, which can restore the original color effect. 28mm for the ultra-narrow aluminum frame makes the appearance more simple and elegant. Professional industry LED panel can realize energy saving and longer life. Easy installation and flexible application can be achieved by the optional built-in OPS function.

FEATURES

- Touch Screen applications of large sizes, 55", 65", 70", 84" 98";
- Professional grade LCD displays with LED back lit with lifespan 100,000hr;
